Senator is a residential complex with swimming pool and gardens in Costa Teguse.

The complex consists of 3 floors of apartments and has been completely renovated, both the common areas and the interiors of the apartments.

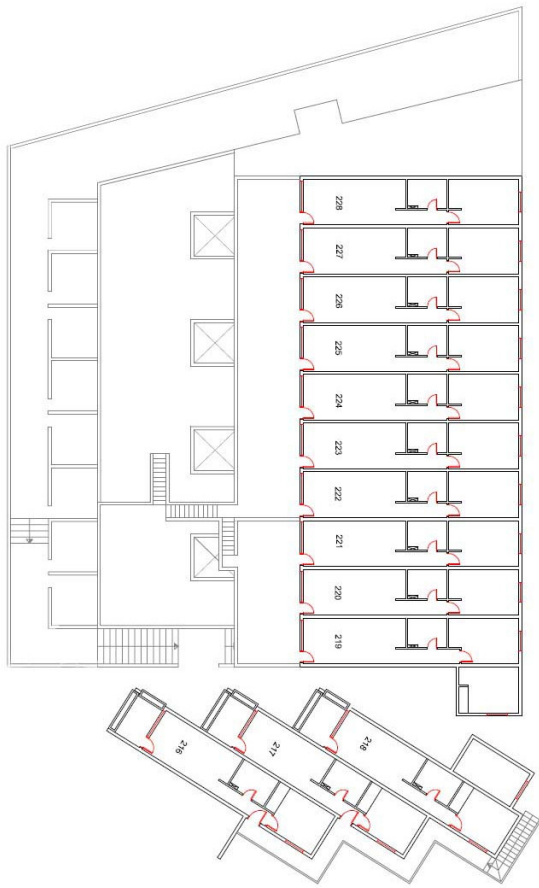

It was designed by César Manrique and is oriented towards the south so it makes the most of the hours of sunshine.

The apartments consists in a living room with a new fully equipped kitchen with appliances, a terrace, a bathroom, patio and some have sea views.

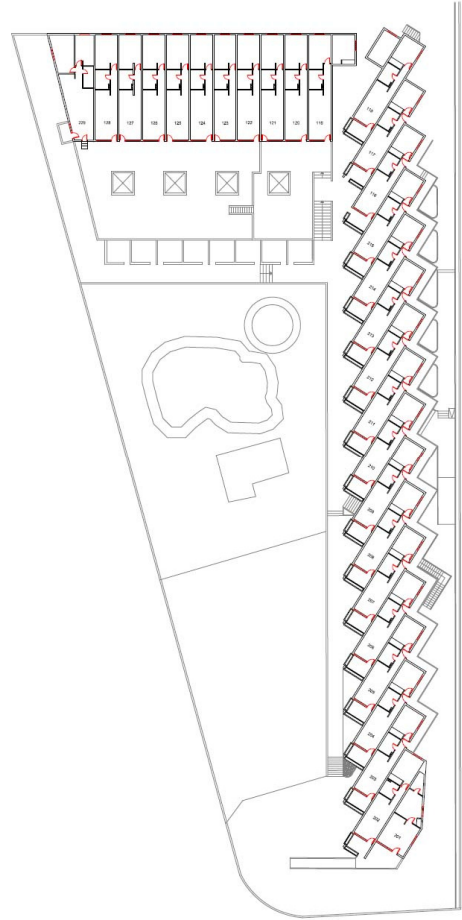

The common areas have amenities such as hammocks, luxury daybeds for lounging, shower, etc..

The complex is located just a 10 mins walk from Las Cucharas, has 3 different gated entrances through 2 streets and meets the requirements to use the apartments for vacation rental, so is ideal both for investors as well as people who are looking to buy a lovely and modern holiday home.
